

Therapeutic Horseback
Riding Center

Dear Rainbow Connection Supporter,

We have so many exciting things happening in 2012! From the Cover-All Project to serving our military and their families, next year is going to top them all! Our plans for the future also include serving a variety of new populations such as youth in residential treatment, foster care and other mental health programs, survivors of fallen soldiers, and families of the deployed service members serving our country. The Freedom Reins program will serve the Wounded Warrior Transition Unit at Joint Base Elmendorf Richardson. Please visit our website at www.therainbowconnection.org for up to date information about our program and THANK YOU for helping us serve the community by providing quality therapeutic horseback riding and equine assisted activities. The professional organization that we belong to recently changed their name to PATH, Int. (Professional Association for Therapeutic Horsemanship, International) and we are proud to be a certified center that follows their standards. Please visit their website at www.pathintl.org for details. We are always looking for volunteers for our summer program. Please call us if you are interested!
